POLICY STATEMENT:

General population prisoners in a Correctional Facilities Administration (CFA) institution other than the Special Alternative Incarceration Facility shall be allowed to purchase and possess only that personal property which is authorized by this policy. Prisoner property at all institutions and during transit shall be properly handled to guard against fire, safety, and sanitation hazards and minimize the risk of property loss or damage.

RELATED POLICIES:

- 04.01.105 Reception Facility Services
- 04.05.120 Segregation Standards
- 04.07.110 State-Issued Items and Cell/Room Furnishings
- 05.01.142 Special Alternative Incarceration Program

POLICY:GENERAL INFORMATION

- A. The personal property limitations set forth in this policy apply to prisoners in traditional general population housing units in CFA institutions. The personal property of prisoners housed in a Department medical in-patient facility/unit may be limited beyond that which is provided for in this policy with the approval of the Warden due to space limitations or, with approval of the Regional Medical Officer, for medical reasons. The personal property of prisoners in a Residential Treatment Program or the Secure Status Outpatient Treatment Program also may be limited beyond that which is provided for in this policy with the approval of the appropriate Qualified Mental Health Professional. Additional personal property limitations for prisoners in a reception facility are set forth in PD 04.01.105 "Reception Facility Services". The personal property limitations for prisoners in the Special Alternative Incarceration Facility are set forth in PD 05.01.142 "Special Alternative Incarceration Program".
- B. Employees shall take reasonable precautions to protect the property of prisoners; however, responsibility for safeguarding property rests with the prisoner. Prisoners shall store property in their cell or room in accordance with institutional procedures. The Department will not assume responsibility for lost, stolen, or damaged property. If the prisoner incurs a loss through no fault of his/her own, s/he may petition the institution's Prisoner Benefit Fund (PBF), as provided in PD 04.02.110 "Prisoner Benefit Fund", or request reimbursement through the State Administrative Board, in accordance with OP 03.02.130-A "State Administrative Board Prisoner Property Reimbursement".
- C. Excessive prisoner property in housing units constitutes a fire hazard and creates sanitation, housekeeping, and security concerns. A prisoner in Level I or II shall not at any time have property which exceeds that which can be contained in one state-issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director and one footlocker if purchased by the prisoner. A prisoner in Level IV or V shall not have property which exceeds that which can be contained in one state issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director or, in Level IV, one footlocker if purchased by the prisoner. These limits apply to all of the prisoner's personal property, whether in his/her cell or stored elsewhere in the facility, except typewriters, excess allowable legal property, and medically necessary items authorized to be possessed by the prisoner pursuant to

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 2 OF 9
-----------------------------------	----------------------------	---------------------	-------------

PD 04.06.160 "Medical Details and Special Accommodation Notices" or PD 04.06.165 "Optometric Services". These limits also apply to clothing items issued to the prisoner pursuant to PD 04.07.110 "State-Issued Items and Cell/Room Furnishings", except for special clothing items issued to wear on a work assignment.

- D. Subject to other limitations set forth in this policy, prisoners may purchase, possess, and wear personal clothing, and purchase and possess other personal property items, only as set forth in the following attachments:
1. Attachment A - Level V.
 2. Attachment B - Level IV.
 3. Attachment C - Level I and II.
- E. Authorized property items shall be available through the prisoner store as set forth in PD 04.02.130 "Prisoner Store", through the Securepak Program as set forth in PD 04.02.135 "Securepak Program", from approved state-wide vendors or as approved by the Warden in the absence of a state-wide vendor, and as set forth in PD 05.03.118 "Prisoner Mail" for written material. Catalogs from which prisoners may order personal clothing shall be available for prisoner review. All allowable property must be purchased by prisoners through the prisoner store or Securepak Program or ordered through established institutional ordering procedures, including catalog orders from approved vendors, except for the following:
1. Allowable books, magazines, and newspapers may be purchased by members of the public, including family members, as set forth in PD 05.03.118 "Prisoner Mail". If the prisoner is approved to take a correspondence course pursuant to PD 05.02.119 "Correspondence Courses", allowable publications and other instructional material (e.g., cassette tapes) may be sent directly from the correspondence school. Catalogs may be received only if sent directly from approved vendors of prisoner personal property at the facility at which the prisoner is housed. All publications are subject to PD 05.03.118.
 2. Calendars printed on the page(s) of an allowable publication and unbound calendars received through the mail are permitted, subject to PD 05.03.118 "Prisoner Mail".
 3. Personal correspondence and photographs are permitted to be received from any source, subject to PD 05.03.118 "Prisoner Mail".
 4. A prisoner shall be permitted to receive an approved wedding band given to him/her from the intended spouse during a wedding ceremony performed within the facility.
 5. Medically necessary items authorized pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" shall be permitted as set forth in that policy. Prescription glasses authorized pursuant to PD 04.06.165 "Optometric Services" also shall be permitted as set forth in that policy.
- F. No item may exceed a limit of \$75 in retail value (i.e., price for which the item is being sold, not including tax or shipping) unless it is specifically exempted from that limit by this policy or was authorized to be purchased prior to January 12, 1998. This limitation also applies to items on the Standardized Property List (Attachment D), unless the model listed exceeds \$75. Required instructional material (e.g., book, cassette tape) for correspondence courses approved pursuant to PD 05.02.119 "Correspondence Courses" or for college programming offered pursuant to PD 05.02.112 "Education Programs for Prisoners" may exceed the \$75 limit.
- G. This policy limits the quantity of certain items prisoners may possess. For those items, prisoners must dispose of items in their possession which are in excess of the quantity limit when receiving a new or replacement item.

LIMITATIONS ON PERSONAL CLOTHING

- H. All clothing shall be machine washable and colorfast. A laundry service shall be available for the washing of prisoner personal clothing; prisoners are responsible for having their clothing laundered through that service. The CFA Deputy Director may authorize a fee to be charged for laundry services provided other than through Michigan State Industries (MSI). Under no circumstances shall clothing items be allowed to be sent out through the institution for repair or alteration.
- I. Prisoners are allowed to purchase only those clothing items they are authorized by this policy to wear. However, prisoners shall be permitted to keep allowable clothing items which are not authorized to be worn if the prisoner had the item in his/her possession prior to January 12, 1998. Except for personal underwear items, personal clothing shall not be worn under state-issued clothing.
- J. Except if authorized pursuant to Paragraph K, the following kinds of clothing are prohibited:
1. Clothing which resembles the pants, shirt or other top, jacket, or coat required to be worn by a Department employee pursuant to PD 02.03.103 "Employee Uniforms". This includes predominantly black clothing and predominantly gray shirts, pants, sweaters, and blouses. Only coats and jackets which are predominantly black, gray, or navy blue, or which have predominantly black, gray, or navy blue lining, are prohibited; however, a prisoner who legitimately ordered and/or purchased a navy blue coat or jacket, or a coat or jacket with navy blue lining, prior to the effective date of this policy which otherwise meets all requirements of this policy shall be permitted to keep the coat or jacket and shall be permitted to wear it as otherwise provided in this policy.
 2. Clothing which resembles the clothing traditionally worn by persons who provide professional services within a correctional facility. This includes clergy shirts and doctor/nurse uniforms (e.g., "scrubs"; white lab coats).
 3. Camouflage.
 4. Hooded clothing.
 5. Ski masks.
 6. Mutilated and altered clothing. This does not include items that have been mended or repaired provided the item retains its original design and intended use.
 7. For male prisoners, clothing that is designated by the vendor as being for women/girls; for female prisoners, clothing that is designated by the vendor as being for men/boys. This does not apply to clothing designated as being for both genders/unisex.
 8. Footwear over six inches in total height (measured from the inside from the top of the heel to the highest point) or footwear with heels over two inches in height. New purchases shall not contain shanks, air pumps, pockets, flashing lights, or gel. The CFA Deputy Director may impose additional restrictions on footwear for reasons of custody or security. With prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of footwear over six inches in total height or which is in excess of \$75 if necessary due to the need for a unique size.
 9. Coats and jackets longer than knee-length or with drawstrings or hoods. Ponchos also are prohibited. Winter coats and winter jackets shall not exceed \$150 in retail value. However, with prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of a winter coat or winter jacket exceeding \$150, or a lightweight coat or jacket exceeding \$75, if necessary due to the need for a unique size.

-----------------------------------	----------------------------	---------------------	-------------

10. Winter gloves/mittens except if single-layered construction and either knit or cloth construction. Suede, leather, and similar artificial materials are prohibited.
- K. Prisoners shall be permitted to possess and wear personal winter coats, winter jackets, winter gloves, and winter mittens that were legitimately in their possession prior to January 12, 1998 provided they fit within allowable property limits, even if they are not machine washable or do not meet the requirements set forth in Paragraph J, numbers 1, 4, and 9 and the attachments to this policy. New personal winter coats or winter jackets and new personal winter gloves or winter mittens may be ordered only through established institutional ordering procedures and must comply with all requirements set forth in this policy. A prisoner may only have one personal winter coat or winter jacket and one pair of personal winter gloves or winter mittens in his/her possession at any time.
- L. The institution shall provide civilian clothing to a prisoner for court appearances as set forth in PD 04.04.135 "Custodial Transportation of Offenders".

LIMITATIONS ON PERSONAL PROPERTY OTHER THAN CLOTHING

- M. Prisoners shall be permitted to possess legal property. Legal property is defined as follows:
 1. Pleadings and other documents ordinarily filed with a court, research notes, exhibits, law books, legal periodicals, and similar written documents and items that are necessary for litigation which the prisoner is currently pursuing on his/her own behalf, subject to PD 05.03.118 "Prisoner Mail". This does not include law books and legal periodicals to which the prisoner has access through the institutional law library. Unless otherwise specifically permitted in this paragraph, this does not include material belonging to another prisoner. Examples of authorized material include the following:
 - A. Any lawsuit which has been filed by the prisoner but has not been finally disposed of by a court.
 - B. Any lawsuit which the prisoner is preparing for filing.
 - C. Documents and correspondence pertaining to the prisoner's pending grievances and misconducts, including pending misconduct administrative appeals.
 - D. Documents and correspondence pertaining to any pending lawsuit certified as a class action, if the prisoner is a member of the class.
 - E. Documents and correspondence pertaining to divorce and support, child visitation, and child custody matters; these are considered pending litigation if the prisoner has minor children even if a judgment has been entered.
 2. Pleadings, transcripts, court orders, and court opinions arising out of the criminal case for which the prisoner is currently serving, even if there is no pending litigation.
 3. Court opinions and orders in any case. This includes an opinion or order in a case involving another prisoner.
- N. If the prisoner's property exceeds allowable limits due to items claimed to be legal property, a hearing shall be conducted by a hearing officer from the State Office of Administrative Hearings and Rules to determine if the items are legal property and thus allowed to be possessed. Prisoners who have allowable excess legal property are required to store the property in footlockers designated for that purpose, which shall be purchased by the prisoner. A prisoner who lacks sufficient funds to purchase the footlocker shall be loaned the necessary funds; loaned funds shall be treated as an institutional debt. A prisoner who was loaned a fire-resistant Cortex container or a footlocker to store allowable excess legal property prior to the effective date of this policy may be permitted to keep it in lieu of

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 5 OF 9
-----------------------------------	----------------------------	---------------------	-------------

purchasing a footlocker until the prisoner transfers to another facility. A prisoner who has more than one footlocker designated for legal property may be required to store excess footlockers in an area designated by the Warden if the Warden determines there is insufficient storage space in the prisoner's cell, room, or other housing area (e.g., bay). Upon request, a prisoner shall be provided reasonable access to his/her stored footlockers within two calendar days of staff receipt of the request. The prisoner also shall be allowed to exchange legal property in the stored footlockers for legal property stored in his/her possession.

- O. The Standardized Property List (Attachment D) sets forth specific limitations, such as make and model, on the purchase of appliances and certain other allowable property items. Prisoners may purchase and possess items identified on the Standardized Property List only as set forth on that list, subject to other limitations set forth in this policy. However, a prisoner shall be permitted to keep an item legitimately purchased from a previous Standardized Appliance or Property List, or an appliance legitimately purchased prior to the issuance of a Standardized Appliance List, if that type of item is listed on the current Standardized Property List subject to the other limitations set forth in this policy, unless the CFA Deputy Director determines that the item poses a threat to the custody and security of the institution.
- P. Subject to other limitations set forth in this policy, a prisoner shall be permitted to keep a typewriter legitimately purchased prior to July 15, 2003 unless it requires an accessory that is no longer available for purchase, or a disk or diskette, to operate. The prisoner also shall be permitted to purchase ribbons and other accessories approved by the CFA Deputy Director or designee for the typewriter through established institutional ordering procedures. If a new or replacement typewriter is ordered by the prisoner, the prisoner must dispose of the typewriter currently in his/her possession and, unless compatible with the new or replacement typewriter, its ribbons and other accessories when the new or replacement typewriter is received.
- Q. Wardens shall designate vendors authorized to repair allowable appliances, if available, and other allowable property as determined by the Warden. Footlockers purchased from MSI shall be repaired only by MSI. All repairs must be processed by the prisoner through the institution in accordance with institutional procedures. The cost of the requested repair may not exceed the cost of purchasing the item new from the current Standardized Property List even if the item on the Standardized Property List is a different make or model or has different features. If a prisoner has an allowable item repaired through the institution by an authorized vendor, the prisoner shall be allowed to receive the repaired item when it is returned from the vendor except if the item has otherwise been altered or has any additional features or functions added. Except for repaired items returned from the vendor, prisoners are not permitted to receive used, reconditioned, or refurbished items.

PROPERTY CONTROL

- R. All appliances, footlockers, and personal clothing items, except for religious clothing items, shall be labeled or inscribed by staff with the prisoner's identification number prior to being given to the prisoner; this is not required for an appliance in which this information is electronically entered by the manufacturer in a manner accessible to staff (e.g., media player). Additional property items which must be labeled or inscribed by staff are identified in Attachments A through C. Other property items shall be labeled or inscribed only if requested by the prisoner. All labeling and inscribing shall be done neatly, using block numbers placed as inconspicuously as possible. Items shall be relabeled or reinscribed as necessary to ensure proper identification of ownership. It is the prisoner's responsibility to request relabeling or reinscription when necessary.
- S. Prisoners are not allowed to store personal property on an assignment. Unless otherwise approved by the Warden, prisoners are allowed to possess only the following personal property on an assignment:
 - 1. Personal underwear worn on the assignment. Personal shoes, winter coats, winter jackets, winter gloves, and winter mittens also are allowed to be worn, unless a state-issued equivalent is required to be worn on the assignment as a part of special assignment clothing.

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 6 OF 9
-----------------------------------	----------------------------	---------------------	-------------

2. Rings, earrings, and watches worn on the assignment.
 3. Religious symbols and emblems worn on the assignment if otherwise authorized to be worn by this policy and PD 05.03.150 "Religious Beliefs and Practices of Prisoners", and worn in accordance with PD 05.03.150.
 4. Prosthetics, including medically necessary shoes, authorized to be possessed by the prisoner pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" and prescription glasses received pursuant to PD 04.06.165 "Optometric Services".
 5. Prescription medication authorized by the appropriate health care provider.
- T. Wherever possible, prisoners should be permitted to pack their own property; they also should be allowed to accompany or carry their own property when moved to a different general population cell or room within a facility whenever possible. When it is necessary to move a prisoner without the prisoner being able to pack his/her own property, staff shall immediately secure the prisoner's property to safeguard it against theft. If the prisoner will be returning to his/her cell or room within two calendar days, the property may be left secured in the room or cell. Otherwise, staff shall pack, seal, receipt, and store the property in the property room or other secure area of the facility, as designated by the Warden. The receipt shall be given or forwarded to the prisoner within one calendar day after packing.
- U. A prisoner shall not assist in packing another prisoner's property or be allowed access to another prisoner's property except as necessary to transport sealed property under direct staff supervision.
- V. When a prisoner transfers between institutions or to or from a Level I facility outside the security perimeter of a multi-level institution, all of the prisoner's personal property must be packed as set forth below except for those items authorized to be carried or worn by the prisoner during transport or carried separately by transportation officers pursuant to PD 04.04.135 "Custodial Transportation of Offenders" and the Department's Transportation Manual. For transfers from a reception facility, the prisoner shall be provided a container which can be locked or otherwise securely sealed in which the prisoner's property shall be packed. For all other transfers, the sending facility shall provide each prisoner with a duffel bag or similarly sized container(s) authorized by the CFA Deputy Director in which the prisoner's property shall be packed unless all property fits into a footlocker owned by the prisoner. Additional duffel bags or similarly sized containers shall be provided as necessary to pack allowable excess legal property unless the property fits into footlockers owned by the prisoner for storage of that property. Televisions and typewriters shall be packed separately in an appropriate container with adequate packing materials (e.g., newspaper) when transferred between institutions or to or from a Level I facility outside the security perimeter of a multi-level institution; musical instruments which are difficult to pack with personal property (e.g., guitar; keyboard) also may be packed separately either in a case owned by the prisoner or, if a case is not owned, in an appropriate container with adequate packing materials. Any property stored for the prisoner also shall transfer with the prisoner.
- W. Food items shall be transferred between institutions only if in their original, unopened container or, if opened, in their original container with lid. Food items sold in a package which does not have a lid (e.g., potato chips, snack cakes) shall transfer only if unopened. Food items that cannot be stored or transferred pursuant to this paragraph shall be destroyed. Food items shall be stored only if in unopened cans or in unopened vacuum packed containers.
- X. All property shall be itemized by staff at the sending facility on a Prisoner Personal Property Receipt (CSJ-241-A or CSJ-241-B) or, for transfers from a reception facility, a Prisoner Personal Property Receipt - Reception Facility (CSJ-241-R). Any property that is damaged or altered shall be specifically identified on the receipt by staff at the sending facility, who also shall issue a Notice of Intent to Conduct an Administrative Hearing (CSJ-282) or misconduct report as set forth in PD 03.03.105 "Prisoner Discipline", as appropriate. Any hearing required on the damaged or altered property may be conducted at either the sending or receiving facility; if the hearing will be conducted at the receiving facility, the property shall be packed separately with a copy of the Notice of Intent to Conduct an

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 7 OF 9
-----------------------------------	----------------------------	---------------------	-------------

Administrative Hearing/misconduct report attached.

- Y. Once a prisoner's property is packed, it shall be securely sealed in its container in a manner to prohibit unauthorized entry and the seal number written on the property receipt. Staff are responsible to ensure that the seals remain unbroken until the container is opened and unpacked at the receiving facility. Wherever possible, this shall be done in the prisoner's presence. Once unpacked at the receiving facility, staff shall determine which items are allowed at that security level and return all allowable property to the prisoner within one calendar day after its arrival at the receiving facility. If the prisoner's property exceeds allowable limits, the prisoner shall be given a reasonable opportunity to exchange an allowable item with an item that did not fit within property limits prior to disposal of the excess property. Items not allowed at the receiving facility based solely on the security level of that facility shall be disposed of only as set forth in Paragraph KK and, if applicable, Paragraph Z; although a hearing is not required, the prisoner's preferred disposition shall be considered.
- Z. If a prisoner is placed in Level IV or V except as an initial placement from a reception facility and the prisoner's true security level is less than the security level at which the prisoner is placed (i.e., waived to increased custody), the prisoner's property which is not allowed at that level shall be stored for the prisoner at the receiving facility for at least 30 calendar days or until the prisoner has exhausted available administrative remedies (e.g., grievance process), whichever is longer, so that the prisoner is not deprived of the property if returned to a security level in which the property is allowed; this does not restrict the prisoner from electing to dispose of the property as otherwise allowed by this policy in lieu of storage.
- AA. The property which is not allowed pursuant to Paragraph Y, including property stored pursuant to Paragraph Z, shall be listed on the Prisoner Personal Property Receipt (CSJ-241-A or, for Level IV or V, CSJ-241-B) by staff at the receiving facility, and the prisoner shall sign to indicate that s/he agrees with the list. If the prisoner contends that the form does not accurately identify the items not allowed at that security level, s/he may write on the list the additional items s/he contends were not included. If staff disagree with the additions, it shall be noted on the form. The form shall be signed by the staff member, the prisoner, and one additional staff member as a witness if there is a disagreement as to the property items which are listed. If the prisoner chooses not to sign, that shall be documented on the form. A copy of the form shall be given to the prisoner.

CONTRABAND HANDLING

- BB. For purposes of this policy, contraband is defined as any personal property which is not specifically authorized by this policy, authorized property which is in excess of allowable limits, authorized property which has been altered, authorized property which was obtained or sent from an unauthorized source, metered envelopes that reflect tampering, and authorized property which belongs to another prisoner. Contraband also includes personal property that is no longer functional as to its intended purpose unless the item can be repaired through the institution by an approved vendor and the prisoner agrees to immediately mail the item out for repair and can pay the full cost of mailing and repair. An authorized publication is not considered altered solely due to pages of the publication being removed (e.g., pictures cut out) or portions of it blocked out.
- CC. A prisoner may at any time be given a direct order to pack up his/her property, using a duffel bag, footlocker, or similarly sized container(s) authorized by the CFA Deputy Director, to determine if the prisoner is exceeding the property limits set forth in this policy. A record shall be maintained by the institution of each pack-up. Upon request, a prisoner shall be given a reasonable opportunity to exchange a packed allowable item with an item that did not fit within the duffel bag or container(s) prior to staff processing the excess allowable property as contraband.
- DD. An item believed to be contraband shall be confiscated. Unless the prisoner was provided a Prisoner Personal Property Receipt (CSJ-241-B) due to a property reduction resulting from an increase in custody, the prisoner shall be issued a Contraband Removal Record (CSJ-284), and either a misconduct report as set forth in PD 03.03.105 "Prisoner Discipline" or a Notice of Intent to Conduct an

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 8 OF 9
-----------------------------------	----------------------------	---------------------	-------------

Administrative Hearing (CSJ-282). A hearing on the misconduct report shall be conducted as set forth in PD 03.03.105. A hearing on the Notice shall be conducted as set forth below.

- EE. Unless the prisoner waives the administrative hearing in writing and the prisoner and staff agree on disposition of the property as authorized by this policy, a hearing shall be conducted pursuant to Administrative Rule 791.3310 for the facility hearing officer to determine if the property is contraband and, if so, the appropriate disposition of the property. The hearing officer shall not be the person who issued the Notice or, if reviewed with the prisoner prior to the hearing, the person who reviewed the Notice with the prisoner. The hearing officer shall complete an Administrative Hearing Report (CSJ-144) to document the findings made at the hearing, including the hearing officer's determination as to disposition of any property found to be contraband. Contraband property may be disposed of only as set forth below. The hearing officer may take into consideration the prisoner's choice of disposition in making that determination. Property determined not to be contraband shall be returned to the prisoner.

Disposition of Contraband

- FF. The possession of a weapon or an item which is illegal to be possessed outside a correctional facility shall be reported to the Michigan State Police. After the item is photographed, it shall be turned over to the Michigan State Police for disposition.
- GG. Food items not in a sealed can or an unopened vacuum packed container, alcoholic beverages, tobacco products, and matches shall be destroyed after the items are photographed and appropriate records prepared.
- HH. Money and postage, including reusable metered envelopes, shall be turned over to the Prisoner Benefit Fund for use by the Prisoner Benefit Fund after they are photographed and appropriate records prepared.
- II. Except for money and postage, items determined to not belong to the prisoner shall be returned to its rightful owner or, if ordered by a facility hearing officer, destroyed or donated to a charity approved by the Warden, after exhaustion of available administrative remedies unless determined at a Class II misconduct hearing to be stolen from an identified prisoner. The facility hearing officer shall take into account the circumstances involved when determining the appropriate disposition.
- JJ. Items determined at a Class II misconduct hearing to be stolen from an identified prisoner shall be returned to that prisoner after the items are photographed and appropriate records prepared. If the item would be contraband if possessed by that prisoner, the process set forth in Paragraphs DD and EE shall be followed and the item disposed of as otherwise set forth in this section.
- KK. All other contraband shall be disposed of through one of the following options after exhaustion of available administrative remedies; if a hearing was conducted, the specific disposal option chosen by the hearing officer shall be identified in the Administrative Hearing Report (CSJ-144) or Misconduct Report, as applicable:
1. Mailed at the prisoner's expense to a single address designated by the prisoner, except that an item shall not be mailed to another prisoner, a court, an identified public official, or a Department employee unless that employee or public official is an immediate family member of the prisoner. Funds shall not be loaned for this purpose except at a reception facility, in which case the prisoner must agree in writing to repay the loan at 100% of future funds received for credit to his/her institutional account. Whenever an item is to be mailed out at a prisoner's expense but the prisoner does not have sufficient funds to pay the required postage, the item may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item shall be mailed out at the prisoner's expense during this ten day period if the prisoner receives sufficient funds to pay the postage.
 2. Retained and stored by the institution for up to 30 calendar days for pick-up by a party

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 03/21/11	NUMBER 04.07.112	PAGE 9 OF 9
-----------------------------------	----------------------------	---------------------	-------------

designated by the prisoner. If the property is not picked up within 30 calendar days, the property may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item may be picked up during this ten day period. The Notice shall not be issued until the expiration of the 30 calendar day period.

3. Donated to a charity approved by the Warden.
4. Destroyed if requested by the prisoner or if the item is written material, except that publications and photographs shall be destroyed only if requested by the prisoner or as allowed pursuant to numbers 1 and 2 above. A television ordered to be destroyed that is in good working condition may be retained by the Department for use by prisoners in the Incentives in Segregation Program and Adaptive Skills Residential Program, and as otherwise approved by the CFA Deputy Director.

SUBSEQUENT REDUCTIONS IN ALLOWABLE PERSONAL PROPERTY

- LL. Notice of any subsequent reductions in allowable prisoner personal property shall be provided to prisoners by posting a notice in all housing units. A prisoner may not be issued a misconduct report for possession of such property until the notice has been posted for at least 30 calendar days.

PROCEDURES

- MM. Wardens shall ensure that operating procedures are developed to implement requirements set forth in this policy directive; this shall be completed within 60 calendar days after the effective date of the policy directive. This requirement includes ensuring that their existing procedures are revised or rescinded, as appropriate, if inconsistent with policy requirements or no longer needed. Facility procedures shall not conflict with procedures issued by the Director.

AUDIT ELEMENTS

- NN. A Primary Audit Elements List has been developed and is available on the Department's Document Access System to assist with self audit of this policy pursuant to PD 01.05.100 "Self Audit of Policies and Procedures".

ATTACHMENTS

- OO. This policy includes the following attachments:
1. Attachment A - Level V.
 2. Attachment B - Level IV.
 3. Attachment C - Level I and II.

Prisoners housed in Level V shall be allowed to purchase and possess only the following:

Clothing - except for religious clothing items, must be labeled with prisoner's identification number prior to being given to the prisoner.

1. The following underwear items:
